Full-time job

**Will you take another course at the Project?**

Yes 28  
No 7

Have taken all offered  
Working full-time

**Have you recommended the courses to your family or friends?**

Yes 35  
No

**Did you enjoy this experience? if yes, why? if no, why?**

Learned to sew, make things for my children  
When children tear clothes – rrrrrrrrrrrt! --I can fix them!  
Before, I didn't know how to sew, now I don't have to take them to a tailor  
Didn't know how to sew before  
Yes, I learned for myself to sew for home and children  
Gaining experience everyday, like to do sewing, excited by sewing  
Love it; learning, group of friends  
Learned new things and met new friends  
Yes, I met new people  
Yes, because I increased my experience and have fun  
I learn and meet friends  
Yes because I can sew my hijabs  
Yes because I learned skills  
Yes because I can make my clothes  
It's fun and I can sew my clothes  
I learned a lot of patterns and cutting  
Yes, it was taught in my language  
It is worth it to give time  
Yes, because I learned new experience  
I enjoy it because I feel I can make my own stuff  
I did not know how to sew before and I meet new friends  
I learned how to sew  
I learned to sew and the use of machines  
Language, can sew, teachers, being with other people  
People, teacher, sewing machines  
I learned on the industrial machines  
I learned how to sew  
I learned a lot of new things  
Never sewed before, didn't know how to use machines  
Loved it – learning, kids' clothes  
Good teachers, good machines, good learning  
I can make my own clothes and clothes for my children  
I can make my own clothes

I have learned many things I didn't know before, like how to use industrial machines

I have gained a lot of experience and met a lot of Somali ladies

**If you could improve one aspect of the Sewing Project, what would it be?**

Become bigger so people can take their time

CalWorks credit

More students, more supplies, better facility

To learn more, bring friends, bring more students

More students, more supplies, better facility

To get a better facility downstairs (vs. upstairs)

Material

More supplies, more students, if welfare people would approve

More students

More students and more supplies

More students and supplies

More lesson times during the day because all people don't have some time free, more options

More supplies and fabric

Facility

More students and supplies

More students

More students and more material

Better facility and supplies

To get more money for the project

More fabric and thread

I would get more supplies and a better building

More fabric, more students, better place

I wish the class could continue without any fee

More material

A little more fabric, and more sewing machines

More students

Better place, more students

More students, better facility

More elastic, more materials, more supplies

Make man's shirt

More people to take lessons

More students and supplies

More hours and students

Better facilities and students

More students and fabric

**Any other comments for us (e.g., facilities, supplies, machines, classmates, cost, time, buying own fabric; we'll review all comments):**

Ask for paper certifying, ask for time sheet  
I like it, helps a lot of people, brings people out of the home  
Helps community – lots of people gain experience  
Need more students, need more supplies (scissors), need CalWorks approval  
(ladies will come on weekdays)  
Location close to home within walking/driving distance  
Falis is very good, very nice leader  
Better place  
It has helped our community – thank you  
Tuition fee  
Better facility  
Thank you  
It's wonderful to have this center in our community  
Perfect  
To accept welfare to work program and thank you  
I want to thank the people who work in the center  
To get more supplies  
Some people cannot afford the tuition  
More students and less tuition  
I wish the class could continue to help the community  
Take the next step for the better  
More fabric  
Thank you  
More fabric and classmates  
I would like to thank all the people who make the center possible
